

Djerriwarrh Health Services offers a Fever Clinic at Melton Health & Community Services.

### Are you worried that you might have COVID 19?

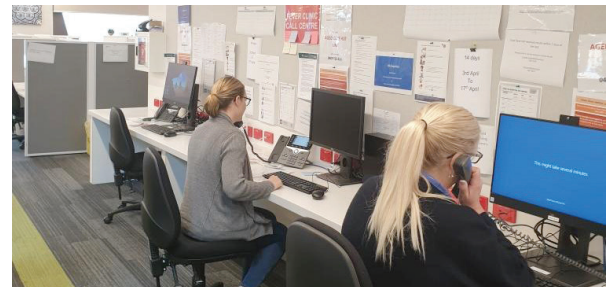

We have two options that can help you stay safe (all with short waiting times):

1. Phone
2. Drive Through

*You are welcome to come no matter where you live*

#### 1. Fever Clinic Hotline 5367 2000

- Call us before leaving your home to see if you meet the criteria for testing
- If you meet the criteria you will be referred to our Drive through clinic in Melton

#### 2. Drive Through Fever Clinic (Melton)

- Wait in the comfort of your own car
- If you meet the criteria the test will be performed in your car
- If a test is required short waiting time

#### MELTON DRIVE-THRU CLINIC MAP

195-209 Barries Road  
Melton West

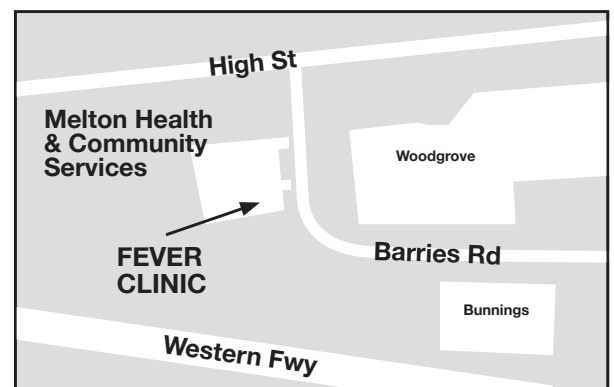

**Monday - Friday:** 9am - 4.30pm\*

**Saturday:** CLOSED

**Sunday and Public Holidays:** 9am - 12pm\*

*\*Boom gate closes 30min before closing time*

Urgent Care operating as per usual: 9am-10.30pm

#### When will I get my results? How will I receive them?

- Results will be available after two to five days (*Result time frames will vary due to demand*).
- Patients who test positive will be contacted directly by their GP, and provided with further information on the next steps they will need to take.
- Patients who test negative will be contacted directly from our Call Centre.
