

Procurement Complaints Management Procedure

1. Any complaint about a Procurement Activity process undertaken by Djerriwarrh Health Services (DjHS) must be submitted in writing (via Letter, email, website or Fax) to the Chief Procurement Officer.
2. The written complaint must set out:
 - I. the basis for the complaint (specifying the issues involved);
 - II. how the subject of the complaint (and the specific issues) affect the person or organisation making the complaint;
 - III. any relevant background information; and
 - IV. the expected corrective outcome.
3. All complaints received must be entered into the Hospital Incident Management System "Riskman".
4. The Divisional Director will allocate the complaint to an authorised staff member to investigate the complaint. The Divisional Director will ensure that any complaints received about a staff member are not investigated or responded to by that individual staff member in question.
5. All complaints will be dealt with in a timely manner:
 - Formal complaints will be acknowledged within 3 days;
 - In the majority of cases, investigation(s) are to be completed within 10 days; and
 - If the investigation is anticipated to take longer than 15 days, the complainant is to be notified of the likely response date.
6. The Investigating Officer may throughout the course of their investigation require to meet with the Complainant to either clarify any issues or seek further information.
7. Once the complaint is resolved the "Riskman" entry will be closed and any corrective action identified as a result of the investigation will be brought to the attention of Senior Management where appropriate action will be undertaken.
8. If the complaint cannot be resolved to the satisfaction of both parties, DjHS will notify HPV within five working days that the complaint could not be resolved and will advise the complainant that:
 - the matter can be referred to the Board of Health Purchasing Victoria (HPV) for their review at the following address:

The Chairperson

- They have 10 days from the date of receipt of the findings by DjHS to lodge their complaint with HPV; and
 - They are required to provide the following documentation to HPV:
 - a) evidence that DjHS did not correctly apply Health Purchasing Policies in relation to a procurement activity;
 - b) evidence that DjHS's complaints management procedures were not applied correctly; and
 - c) a copy of all relevant correspondence between the complainant and DjHS in relation to the nature of the complaint.
9. DjHS will maintain a record of all complaints received (via Riskman) related to each procurement activity indicating whether the complaint was:
- I. Resolved;
 - II. Is still under investigation; or
 - III. Could not be resolved.

This information will be included in DjHS's Annual Report.
